MYSORE CITY MUNICIPALITY.

Notice dated 21st January 1910.

Notice is hereby given under clause J of sub-section (1) of Section 48 of the Mysore Municipal Regulation that the enclosed draft by-law having been approved by the City Municipal Council, Mysore, will be taken into consideration with a view to its being brought into force on or after the 1st April 1910, together with any objection which may be received before the 1st March 1910.

By-law for enforcing information as to liability to Municipal taxation under J of clause (1) of Section 48.

For purposes of assessment and recovery of Municipal taxes, the President may, by notice in writing, require any person to furnish within a fortnight after the service of the notice, such information as the President may require.

Any person, who thus being called upon to furnish information, omits to furnish it or furnishes information which, at the time of furnishing it, he either knows to be false or does not believe to be true, shall be liable to be fined in a sum not exceeding Rs. 100.

M. G. KRISHNASAMI RAO,
Vice-President.

SHIMOGA DISTRICT.

Notification dated 12th January 1910.

It is proposed to constitute the town of Shikarpur, comprising the area included within the boundaries described below, into a Municipality under Regulation VII of 1906; and all persons who entertain any objection thereto, should submit the same with the reasons therefor in writing to the Deputy Commissioner, Shimoga District, within two months from the date of the publication of this notice in the *Mysore Gazette*.

BOUNDARIES.

The boundary line of the Shikarpur Town Municipality commences at the boundary stone on the 1st furlong of the 31st mile of the Shimoga-Sorab-Sirsi road and runs in a northerly direction till it reaches the north-western boundary stone of Survey No. 305 of Haliyur village. Thence, it takes an easterly course along the northern boundary of the same survey number, and thereafter takes a northerly direction along the western bund of the Hucharayaswami tank and crosses the Honnali-Shikarpur road, at the north-western extremity of the tank. Leaving the pond "Filter Honda" to the right, it takes a north-western course along the western boundary of Survey No. 153 of Haliyur village and then passes along the Honnali-Shikarpur road touching the western boundaries of Survey Nos. 145, 143, 142, 141, 140, 139, 138, 137, 136 and 135 of the village. Taking a north-western bend behind the Local Fund Dispensary, it then passes along the western boundary of Survey Nos. 134, 133, 132, 131, 130 and 129 of the same village. It then turns eastwards along the northern boundary of Survey No. 129 and enclosing Survey No. 125, it goes in a northerly course along the western boundaries of Survey Nos. 124, 123 and 122 and meets the road coming from Masur.

2. The line thence takes a westerly course along the southern boundary of Survey Nos. 120, 16, 15, 13, 5 and 4 of the Haliyur village and meets the Shimoga-Sorab-Sirsi road at the 2nd furlong of the 32nd mile stone where the Honnali-Shikarpur road also joins it.

3. From this point the line descends in a southerly direction along the boundary between Gabbur and Kanoor villages to the west of Survey Nos. 2 and 11 of the latter village, and thence takes a winding course in the same direction, along the western boundary of Survey Nos. 12, 9, 6 and 19 till it reaches the Shikarpur-Anantapur road. From there, it takes on easterly course along this road until it reaches again the Shimoga-Sorab-Sirsi road. From this point the boundary line runs again in a southerly direction along the western edge of the latter road up to the starting point.

M. NARAIN RAO,
Deputy Commissioner.
